Box AF
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The present communication responds to the Office action dated 19 June 2002 in the above-identified application. Please amend the application as follows. The attached Appendix presents a marked-up version of the changes made to the specification and claims by the current amendment.

In the Claims:

Following is a complete listing of the claims pending in the application, as amended:

1. (TWICE AMENDED) A ballistic barrier preventing penetration by a foreign body in combination with an outer shell of an aircraft, the outer shell defining the interior of the aircraft, the ballistic barrier in combination with the outer shell comprising:
